## INSURING AGREEMENT

---

We agree with **you**, in return for **your** premium payment, to insure **you** subject to the terms of this policy.

We will insure **you** for the coverages and limits of liability for which a premium is shown in the **Declarations** of this policy.

---

## POLICY DEFINITIONS

---

The **bolded** terms in this Policy Definitions section shall have the meanings provided below, which shall apply throughout this Policy, including when the word or phrase is used in its singular, plural or possessive form.

- A. **All-terrain** vehicle means a small, open motor vehicle having three or more wheels fitted with large low pressure tires, a seat that is straddled by the operator, and handlebars for steering control. It is designed chiefly for recreational use over roadless, rugged terrain.
- B. **Bodily injury** means bodily harm. It also includes sickness, disease or death but only which results from bodily harm.
- C. **Declarations** means the most recent document **we** have issued to **you** for this Policy that lists the types of coverage **you** have selected, the limits for each coverage, the premium for the Policy, the vehicles **we** agree to insure, the period of coverage and other Policy information.
- D. **Motorcycle** means a motor vehicle with motive power having a seat or saddle for the use of the rider, designed to travel on not more than three wheels in contact with the ground. For coverage limited to Part A: Liability Coverage only, **motorcycle** also means a two wheeled motorized vehicle of the moped or motor scooter type.
- E. **Motor vehicle business** means the business or occupation of selling, repairing, servicing, storing or parking vehicles.
- F. **Occupying** means in, on, getting onto or off of.
- G. **Passenger** means any person other than the operator of **your insured motorcycle, occupying** it or a sidecar attached to it.
- H. **Property damage** means physical injury to, destruction of, or loss of use of, tangible property. **Property damage** does not include **diminution in value**.
- I. **Relative or Family member** means a person living in **your** household related to **you** by blood, marriage, a civil union considered valid under New Jersey law, or adoption, including a ward or foster child.
- J. **State** means the District of Columbia, any **state**, territory or possession of the United States and any province of Canada.
- K. **Trailer** means a vehicle designed to be towed by a **motorcycle**.
- L. **Utility all-terrain vehicle** means a vehicle with four or more wheels, used exclusively off-road and containing no more than the operator and one passenger. It differs from an **all-terrain vehicle** in that its seat is not straddled by the operator, the passenger sits next to the operator, and it is not steered by handlebars. Under no circumstances does **utility all-terrain vehicle** include private passenger automobiles or any vehicle that is for on- road use.
- M. **We, us, and our** mean the insurance company shown in the **Declarations** page.
- N. **You and your** refer to:
  - 1. The named **insured** shown in the **Declarations**; and
  - 2. The spouse or partner of a civil union considered valid under New Jersey law if a resident of the same household. If the spouse or partner ceases to be a resident in the same household during the policy period or prior to the inception of this policy, the spouse or partner would be considered **you** and **your** under this policy but only until the earlier of:
    - (a) The end of 90 days following the spouse's or partner's change of residency;
    - (b) The effective date of another policy listing the spouse or partner as the named **insured**; or
    - (c) The end of the policy.

O. **Your insured motorcycle** means:

2. A **trailer** or sidecar **you** own when permanently attached to **your motorcycle**.
3. A **motorcycle you** become the owner of during the policy period if:
  - (a) it replaces the **motorcycle** described in the **Declarations** and
  - (b) **we** insure all **motorcycles** owned by **you** on the date **you** acquire the **motorcycle** and
  - (c) no insurance policy issued by a company other than **us** provides coverage for that **motorcycle** and
  - (d) if **you** want the "Coverage for Damage to Your Vehicle" part of this policy to apply, **you** must notify **us** within 5 days after **you** acquire the **motorcycle**.
4. A **motorcycle** or **trailer** not owned by **you** while being used as a temporary substitute for a **motorcycle** described in 1. through 3. above because it has broken down, is being repaired, or it is lost or destroyed. **Your** use of the **motorcycle** or **trailer** must be with the consent of its owner.
5. A **motorcycle you** become the owner of during the policy period that is in addition to the **motorcycle** described in the **Declarations**. Coverage begins on the date **you** become the owner, as long as **you** ask **us** to insure it within 14 days after **you** acquire the **motorcycle**. Otherwise coverage will begin when **you** notify **us**. It will be covered at the broadest coverage **we** provide for any motorcycle shown in the **Declarations**, except for coverage under "Coverage for Damage to Your Vehicle". **You** must ask for that coverage if **you** want it. It is not automatic.
6. Under Part A: Liability Coverage any other **motorcycle** which is not owned by **you** or a **relative** or furnished or available for regular use by **you** or a **relative**, and not covered by another liability insurance policy, while being operated by **you** with the owner's permission.

#### LIMITS OF LIABILITY

The limits of liability shown on the **Declarations** Page for this Part A: Liability Coverage is the most **we** will pay in damages resulting from any one accident subject to the following:

The "each person" limit of liability includes the total of all claims made for **bodily injury** to a person and all claims of others derived from such **bodily injury** including, but not limited to, emotional injury and mental anguish resulting from the **bodily injury** of another or from witnessing the **bodily injury** to another, loss of society, loss of companionship, loss of services, loss of consortium and wrongful death.

- E. All **bodily injury** and **property damage** arising out of continuous or repeated exposure to substantially the same general conditions shall be considered as arising out of one occurrence.
- F. No one will be entitled to duplicate payments for the same elements of loss under this Part A: Liability Coverage and Part E: Uninsured/Underinsured Motorists Coverage.
- G. A **motorcycle** and an attached **trailer** are one vehicle. Therefore the limits of liability are not increased.

## SEPARATE APPLICATION OF THIS INSURANCE

This insurance applies separately to each **insured person** against whom a claim is made or suit is brought, except with respect to the limits of **our** liability.

## OTHER INSURANCE

Liability insurance on a loss covered by Part A of this policy on **your insured motorcycle** is primary, except as follows. The exception is that insurance **we** provide under Part A of this policy for a **motorcycle you** do not own, or a **motorcycle** owned by **you** or a **relative** that this policy's coverage does not insure, is excess over any other collectible insurance. The term "collectible liability insurance" includes coverage provided by an organization or person through a program of self-insurance permitted by the law of the **state** in which the **motorcycle** is registered.

With respect to an accident or occurrence to which this and any other motorcycle policy **we** issue to **you** applies, the total limit of **our** liability under all of the applicable policies shall not exceed the highest applicable limit of liability under any one policy.

This policy does not provide liability coverage for any person who is a named **insured** under a Basic Automobile Insurance Policy or Special Automobile Insurance Policy issued pursuant to New Jersey law or regulation. 1. Who is an owner of a motor vehicle:
    - (a) Insured under a basic automobile insurance policy or special insurance policy issued in accordance with New Jersey law or regulation; or

The injured **insured's** legal right to recover damages for pain, suffering and inconvenience under the New Jersey Automobile Reparation Reform Act will be determined by the liability tort limitation, if any, applicable to that **insured**.
  4. Using a vehicle without a reasonable belief that that operator is entitled to do so, including, but not limited to, a person not licensed to operate a **motorcycle**.

    - (a) Workers' compensation law; or
    - (b) Disability benefits law.
  2. Any insurer of property.
- C. **We** do not provide Uninsured or Underinsured Motorists Coverage for punitive or exemplary damages.

## LIMITS OF LIABILITY

- A. The **bodily injury** liability for “each person” is the maximum **we** will pay for all damages for **bodily injury** sustained by one person in one occurrence. The “each person” limit of liability includes the total of all claims made **for bodily injury** to a person and all claims of others derived from such **bodily injury** including, but not limited to, emotional injury and mental anguish resulting from the **bodily injury** of another or from witnessing the **bodily injury** to another, loss of society, loss of companionship, loss of services, loss of consortium and death.

Subject to the **bodily injury** liability limit for “each person,” the **bodily injury** liability limit for “each occurrence” is the maximum **we** will pay for all damages for **bodily injury** to two or more persons in one occurrence.

This is the most **we** will pay regardless of the number of:

1. **Insureds**;
2. Claims made;
3. Vehicles or premiums shown in the **Declarations**; or
4. Vehicles involved in the accident.

Any person qualifying as an **insured** under this policy and who is not the named **insured**, spouse or resident **relative** is limited to limits of \$15,000 per person/\$30,000 per accident and not those limits shown in the **Declarations** if greater than \$15,000 per person/\$30,000 per accident, but in no event will each person, each occurrence limit be increased.

Subject to **our** maximum limit of liability for this coverage:

1. If:
  - (a) An **insured** is not the named **insured** under this policy and is a named **insured** under one or more other policies providing similar coverage; and
  - (b) All such other policies have a limit of liability for similar coverage which is less than the limit of liability for this coverage;

then **our** maximum limit of liability for that **insured**, for all damages resulting from any one accident, shall not exceed the highest applicable limit of liability under any insurance providing coverage to that **insured** as a named **insured**.

2. If:
  - (a) An **insured** is not the named **insured** under this policy or any other policy; and is insured as a spouse or relative under one or more other policies providing similar coverage; and
  - (b) All such other policies have a limit of liability for similar coverage which is less than the limit of liability for this coverage;

then **our** maximum limit of liability for that **insured**, for all damages resulting from any one accident, shall not exceed the highest applicable limit of liability under any insurance providing coverage to that **insured** as a spouse or **relative**.

As used in this section, similar coverage includes any UM/UIM policy issued in another **state** which may or may not be similar to New Jersey UM/UIM coverage.

All **bodily injury** arising out of continuous or repeated exposure to substantially the same general conditions shall be considered as arising out of one occurrence.

- B. With respect to an accident with an **underinsured motor vehicle**, the limit of liability shall be reduced by all sums:
1. Paid because of the **bodily injury** or **property damage** by or on behalf of persons or organizations who may be legally responsible. This includes all sums paid under Part A: Liability of this policy; and
  2. Paid because of the **property damage** under Part D of this policy or any similar coverage under any other policy.
- However, if an **insured** person enters into an agreement for an amount less than the sum of the limits of liability under an applicable **bodily injury** liability bonds and policies, **our** limit of liability for underinsured motorist coverage shall not exceed the difference between the damages sustained by the **insured** person and the sum of the applicable **bodily injury** liability bonds or policies.

- C. No one will be entitled to receive duplicate payments for the same elements of loss under this coverage and:
  - 1. Part A: Liability of this policy; or
  - 2. Any Personal Injury Protection Coverage provided by this policy.
- D. **We** will not make a duplicate payment under this coverage part for any element of loss for which payment has been made by or on behalf of persons or organizations who may be legally responsible. This includes all sums paid under Part A: Liability of the policy.
- E. No payment will be made under this coverage for loss paid or payable under Part D: Coverage for Damage to Your Vehicle of this policy.
- F. In determining the amount payable under uninsured motorist coverage, the amount of damages which an **insured** person is entitled to recover for **bodily injury** shall be reduced by all sums:
  - 1. Paid because of **bodily injury** by or on behalf of any persons or organizations that may be legally responsible;
  - 2. Paid or payable because of **bodily injury** under any of the following or similar laws:
    - (a) worker's compensation law;
    - (b) disability benefits law.

## OTHER INSURANCE

If there is other applicable insurance available to an **insured** under one or more policies or provisions of coverage that is the same or similar to the insurance provided under this coverage part of the policy:

- A. Any recovery for damages for **bodily injury** or **property damage** under all such policies or provisions of coverage may equal but not exceed the highest applicable limit for any one vehicle under any insurance providing coverage on either a primary or excess basis. However:
  - 1. If an **insured** is:
    - (a) A named **insured** under one or more policies providing the same or similar coverage; and
    - (b) Not **occupying** a vehicle owned by that **insured**;
 then any recovery for damages for **bodily injury** or **property damage** for that **insured** may equal but not exceed the highest applicable limit for any one vehicle under any insurance providing coverage to that insured as a named **insured**.
  - 2. If an **insured** is:
    - (a) Not a named **insured** under this policy or any other policy; and
    - (b) **Insured** as a spouse or **relative** under one or more policies providing the same or similar coverage;
 then any recovery for damages for **bodily injury** or **property damage** for that **insured** may equal but not exceed the highest applicable limit for any one vehicle under any insurance providing coverage to that **insured** as a spouse or **relative**.
- B. The maximum Uninsured motorist coverage **we** provide for accidents where **you** are the operator of or a **passenger** in a vehicle **you** do not own, or a vehicle owned by **you** or **your relative** which is not listed on the **Declarations Page** of this policy, shall be \$15,000 per person/\$30,000 per occurrence.
- C. If the coverage under this policy is provided:
  - 1. On a primary basis, **we** will pay only **our** share of the **loss** that must be paid under insurance providing coverage on a primary basis. **Our** share is the proportion that **our** limit of liability bears to the total of all applicable limits of liability for coverage provided on a primary basis.
  - 2. On an excess basis, **we** will pay only **our** share of the **loss** that must be paid under insurance providing coverage on an excess basis. **Our** share is the proportion that **our** limit of liability bears to the total of all applicable limits of liability for coverage provided on an excess basis.
- D. If there is other applicable out of **state** uninsured motorist or underinsured motorist coverage, any insurance **we** provide will be excess over any such collectible insurance.
- E. Uninsured and Underinsured motorist coverage only provides benefits for an accident occurring in the United States or Canada.

## CONSENT TO BE BOUND

No judgment or settlement for damages arising out of a lawsuit brought against an operator or owner of an uninsured or **underinsured motor vehicle** shall be binding against **us** unless **we**:

- A. Receive reasonable notice of the filing of the lawsuit resulting in the judgment; and
- B. Had a reasonable opportunity to protect **our** interests in the lawsuit.

## ARBITRATION

- A. If **we** and an **insured** do not agree:
  - 1. Whether that **insured** is legally entitled to recover damages; or
  - 2. As to the amount of damages which are recoverable by that **insured**;from the owner or operator of an **uninsured motor vehicle** or an **underinsured motor vehicle**, then the matter may be arbitrated. However, disputes concerning coverage under this Part may not be arbitrated, unless **we** and the person making the claim agree to do so in writing. Disputes involving coverage are to be decided by the Superior Court of the county where the address shown on the **Declaration** page is located.

Either party may make a written demand for arbitration. In this event, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction.
- B. Each party will:
  - 1. Pay the expenses it incurs; and
  - 2. Bear the expenses of the third arbitrator equally.
- C. Unless both parties agree otherwise, arbitration will take place in the county in where the address shown on the **Declarations** page is located. Local rules of law as to procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding as to whether the **insured** is legally entitled to recover damages and the amount of damages unless the arbitration award exceeds the minimum limit for liability specified by the Financial Responsibility Law of New Jersey. If the arbitration award exceeds that limit, either party may demand the right to a trial by jury on all issues of liability and damages. This demand must be made within 60 days of the arbitrators' decision. If this demand is not made, the amount of damages agreed to by the arbitrators will be binding.

  - 1. The surviving spouse or partner under a civil union considered valid under New Jersey law if residing in the same household at the time of death. Coverage applies to the spouse as if a named **insured** shown in the **Declaration**; and
  - 2. The legal representative of the deceased person as if a named **insured** shown in the **Declarations**. This applies only with respect to the representative's legal responsibility to maintain or use **your insured motorcycle**.
- B. Coverage will only be provided until the end of the policy period.

### BANKRUPTCY

**We** are not relieved of any obligation under this policy because of the bankruptcy or insolvency of an **insured** person.

### CANCELLATION OR NON-RENEWAL OF THIS POLICY

#### A. Cancellation

This policy may be cancelled during the policy period as follows:

- 1. The named **insured** shown in the **Declarations** may cancel by:
  - (a) Returning this policy to **us**; or
  - (b) Giving **us** advance written notice of the date cancellation is to take effect.

2. **We** may cancel by mailing by certified mail or United States Post Office certificate of mailing to the named **insured** shown in the Declarations at the address shown in this policy:
  - (a) At least 20 days notice if notice is mailed during the first 60 days this policy is in effect and this is not a renewal or continuation policy; or
  - (b) At least 15 days but not more than 30 days notice if cancellation is for nonpayment of premium; or
  - (c) At least 20 days notice in all other cases.
3. After this policy is in effect for 60 days, or if this is a renewal or continuation policy, **we** will cancel only:
  - (a) For nonpayment of premium; or
  - (b) If **your** driver's license or that of (i) any driver who lives with **you**, or (ii) any driver who customarily uses **your insured motorcycle**, has been suspended or revoked for one or more convictions for serious motor vehicle violations as set forth in N.J.A.C. 11:3-35.  
This must have occurred:
    - (i) During the policy period; or
    - (ii) Since the last anniversary of the original effective date if the policy period is other than one year.

B. If **we** decide not to renew or continue this policy, **we** will mail notice by certified mail or United States Post Office certificate of mailing to the named **insured** shown in the **Declarations** at the address shown in this policy. Notice will be mailed at least 60 days before the end of the policy period.

**We** will have the right not to renew or continue this policy at each anniversary of its original effective date.

Upon cancellation you may be entitled to a premium refund. If so, **we** will send it to **you** but the making or offer of a refund is not a condition of cancellation. If **you** cancel, the refund will be computed in accordance with a short rate procedure. If **we** cancel, the refund will be computed on a pro rata basis.

The policy period ends on the effective date of cancellation stated in a notice. "Short rate" means the refund calculated on a pro rata basis multiplied by .90.

This policy will automatically terminate at the end of the policy period if **you** or **your** representative does not accept **our** offer to renew or continue it. **Your** failure to pay the required renewal premium means that **you** have declined **our** offer.

If other insurance is obtained on **your insured motorcycle**, similar insurance afforded under this policy for that **motorcycle** will cease on the effective date of the other insurance. In addition, any coverage afforded under this policy will cease when a person other than **you** or a **relative** becomes the owner of that **motorcycle**.

If different requirements for cancellation and non-renewal or termination of policies are required because of the laws of **your state**, **we** will comply with those requirements.

## CHANGES

This policy and the **Declarations** include all the agreements between **you** and **us** relating to this insurance. No change or waiver may be affected in this policy except by endorsement issued by **us**. Changes during the policy term that may result in a premium increase or decrease include, but are not limited to, changes in:

1. The number, type or use classification of **insured** vehicles;
2. Operators using **insured** vehicles;
3. The place of principal garaging of the **insured** vehicles;
4. Coverage, deductible, or limits.

**You** are required to inform **us** of these changes when they occur. If a change requires a premium adjustment, **we** will make the premium adjustment in accordance with **our** manual rules. If **we** make a change which broadens coverage under this edition of **your** policy without an additional premium charge, that change will automatically apply to **your** policy as of the date **we** implement the change in **your state**. This paragraph does not apply to changes implemented with a general program revision that includes both broadening and restrictions in coverage, whether that general program revision is implemented through introduction of a subsequent edition of **your** policy, or an amendatory endorsement.

## **MISREPRESENTATION OR FRAUD**

**We** will cancel this policy if **you** misrepresent any material fact or circumstance relating to this insurance at the time the application is made or when an endorsement is sought. In that case, **you** and any lienholder for **you** shall not be entitled to coverage under Part D or Part E of this policy, retroactive to the date the misrepresentation was made. Coverage is also not provided to any person who qualifies as an **insured** under this policy who knowingly conceals or misrepresents any material fact or circumstance relating to this insurance in connection with the presentation or settlement of a claim.

## **OUR RECOVERY RIGHTS**

A. If **we** make a payment under this policy and the person to or for whom payment was made has a right to recover damages from another, **we** shall be subrogated to that right. That person shall do:

1. Whatever is necessary to enable **us** to exercise **our** rights; and
2. Nothing after loss to prejudice them.

However, **our** rights under this paragraph ("A") do not apply under Part D: Coverage for Damage to Your Vehicle against any person using **your insured motorcycle** with a reasonable belief that that person is entitled to do so.

B. If **we** make a payment under this policy and the person to or for whom payment is made recovers damages from another, that person shall:

1. Hold in trust for **us** the proceeds of the recovery; and
2. Reimburse **us** to the extent of **our** payment.

2. Uninsured and underinsured motorist coverage: accidents occurring in the United States or Canada; and
3. As to all other coverage parts, the policy territory is The United States of America, its territories and possessions; Puerto Rico; and Canada. This policy also applies to loss to, or accidents involving, **your insured motorcycle** while being transported between their ports.

## **PREMIUM**

The premium for this policy is computed in accordance with **our** rules, rates, rating plans and minimum premiums applicable to the insurance afforded.

**We** have relied upon the information **you** provided to **us** to determine the amount **you** must pay **us**.

**You** agree to pay all additional premium due if this information is:

1. Incorrect;
2. Incomplete; or
3. Changes during the policy period.

## **PROOF OF MAILING**

Proof of mailing of a notice is proof of notice.

## SUIT AGAINST US

No one shall have the right to make **us** a party to a suit to determine the liability of an insured person.

If **we** retain salvage, **we** have no duty to preserve or otherwise retain the salvage for any purpose, including evidence for any civil or criminal proceeding.

## TWO OR MORE MOTORCYCLES INSURED

With respect to an accident or occurrence to which this and any other **motorcycle** policy **we** issue to **you** applies, the total limit of **our** liability under all policies shall not exceed the highest applicable limit under any one policy.

President

Secretary
